Contents of Volume 28

No. 1, Spring 2001

Ocular tear film bubble counts after recreational compressed air diving
M. H. Bennett, D. J. Doolette, and *N. Heffernan* 1
Recreational scuba divers' aversion to low-frequency underwater sound
D. M. Fothergill, J. R. Sims, and *M. D. Curley* 9
Increased lung compliance in response to a moderate hyperoxic exposure
J. W. Reed, C. Elliott, and *E. Thorsen* 19
Personality characteristics of South African Navy divers
C. Van Wijk and *A. H Waters* 25

Case Reports

Orbital hemorrhage following face-mask barotrauma
F. K. Butler and *N. Gurney* 31
Management of ischemic hemorrhagic cystitis with hyperbaric oxygen therapy
A. E. Lopez, S. Rodriguez, and *I. Flores* 35

Abstracts

European Underwater and Baromedical Society Annual Meeting 2000 37
French translations from Volume 27, Number 4 51
Spanish translations from Volume 27, Number 4

No. 2, Summer 2001

Editorial
R. Ball 55

Exposure to hyperoxia in diving and hyperbaric medicine—effects on blood cell counts and serum ferritin
E. Thorsen, H. Haave, D. Hofsø, and *R. J. Ulvik* 57
Effects of inspiratory and expiratory resistance in divers' breathing apparatus
D. E. Warkander, G. K. Nagasawa, and *C. E. G.Lundgren* 63
Effects of water immersion on pulmonary function in asthmatics
J. J. Leddy, A. Roberts, J. Moalem, T. Curry, abd *C. E. G. Lundgren* 75
Dysbaric osteonecrosis in Turkish sponge divers
A. S. Toklu and *M. Çimşit* 83
Decompression sickness risk reduced by natice intestinal flora in pigs after H_2 dives
S. R. Kayar and *A. Fahlman* 89

Abstracts

From current literature 100
Spanish translations from Volume 28, Number 1 110

No. 3, Fall 2001

Editorial

Hyperbaric oxygen therapy, multiple sclerosis, and unapproved indications: Taking a stand
I Jacoby 113

Position Paper

Treatment of multiple sclerosis with hyperbaric oxygen therapy
M. Bennett and *R. Heard* 117

Ethical dilemmas in hyperbaric medicine
E. C. Y. Chan and *B. Brody* 123

Comparison of three different ultrasonic methods for quantification of intravascular gas bubbles
A. O. Brubakk and *O. Eftedal* 131

Thermal insulation properties of argon used as a dry suit inflation gas
J. Risberg and *A. Hope* 137

Case Report

Acute psychosis associated with diving
R. O. Hopkins and *L. K. Weaver* 145

Technical Communication

Thermal status of saturation divers during operational dives in the North Sea
I. B. Mekjavić, F. St. C. Golden, M. Eglin, and *M. J. Tipton* 149

Reviews

Carbon monoxide poisoning: interpretation of randomized clinical trials and unresolved treatment issues
N. B. Hampson, D. Mathieu, C. A. Piantadosi, S. R. Thom, and *L. K. Weaver* 157

Lidocaine in the treatment of decompression illness: A review of the literature
S. J. Mitchell
165

No. 4, Winter 2001

Smoke inhalation—induced alveolar lung injury is inhibited by hyperbaric oxygen
S. R. Thom, I. Mendiguren, and *D. Fisher* 175

Effect of hyperbaric oxygen and penicillin in a murine model of streptococcal myositis
E. *Öztas, A. Kiliç, M. Ozyurt, A. Korkmaz*, and A. Ba*ş*ustao*ğ*lu 181

Effects of non-weight bearing and hyperbaric oxygen therapy in vascular deprivation-induced osteonecrosis of the rat femoral head
B. Peskin, A. Shupak, D. Levin, D. NormaN, Z. Jacob, J. H. Boss, I. Misselevich, D. N. Reis, and *C. Zinman* 187

Hyperbaric oxygen therapy for the treatment of large vestibular aqueduct syndrome
A. FuruhashI, E. Sato, T. Nakashima, Y. Miura, A. Nakayama, N. MoriI, H. Takahashi, and *S. Kobayashi* 195

Will prior hyperventilation reduce cerebral blood flow during escape from a submarine?
C. M. House, D.F. Grist, and *D. D. Denison* 201

Environmental stress on diving-induced platelet activation
G. Bosco, ZJ Yang, F. Savini, G. Nubile, P. G.Data, JP. Wang, and *E. M Camporesi* 207

CONTENTS OF VOLUME 28 239

Special Communication

The U.S. Navy decompression computer
F. K. Butler and *D. Southerland* 213

Case Report

Arterial gas embolism in a diver using a closed-circuit oxygen rebreathing diving apparatus
S. Carstairs 229

Letters to the Editor
Personality characteristics of South African Navy divers
T. J. Beckman 122
The author responds
C. Van Wijk 234

Reviewers for 2001 235
